

SURFACE CLEANER & SANITISER

CLEANER & SANITISER FOR USE ON HARD SURFACES
IN HVAC&R SYSTEMS

CLEANER SURFACES IMPROVE HYGIENE AND REDUCES OPERATING COST

Over time the surfaces of HVAC&R systems become dirty. Surfaces contain dirt, dust, pollen, moisture and other contaminants. Organic and inorganic contaminants increases mould and bacteria growth on all surfaces, leading to poor hygiene, diminished air quality, increased energy consumption and give poor system performance.ⁱⁱ

For best practice and optimal resultsⁱ – pair with **AerisGuard™ Surface Treatment & Pan Tablet**

PRODUCT OVERVIEW

AerisGuard™ Surface Cleaner & Sanitiser is designed to provide a simple one step clean & sanitise solution for hard surfaces in HVAC&R systems including cool rooms, AHUs, high wall unit plastics, drain pans, fans, refrigeration and other hard surfaces.

The easy-to-use spray-on, wipe off process effectively removes contaminants from hard surfaces & duct work.

AerisGuard™ Surface Cleaner & Sanitiser is designed to be use in conjunction with **AerisGuard™ Bioactive Surface Treatment**. This 2 step process provides long-term residual protection against microbial growth & contamination of the cleaned and treated surfaces.

- ✓ HACCP Certified
- ✓ Complies with AS/NZ 3666 for microbial control/ hygiene
- ✓ Up to 12 months' protection
- ✓ Improved indoor air quality

Get the Aeris Advantage!

- SAFE TO USE ▶
- ENVIRONMENTALLY FRIENDLY ▶
- HIGHLY EFFECTIVE ▶

PRODUCT NOTES

- Refer to IFU-023 Surface Cleaner
 - Refer to SDS-024 Surface Cleaner
- HVAC HESS Fact sheet published

SURFACE CLEANER & SANITISER

CLEANER & SANITISER FOR USE ON HARD SURFACES
IN HVAC&R SYSTEMS

FEATURES

- Non-acid, non-alkaline cleaning process
- Superior cleaning solution
- Designed specifically for air conditioning, and refrigeration equipment
- Compatible with all common cleaning processes
- Multiple modes of application
- No harsh chemicals

BENEFITS

- Saves time with quick and easy preparation
- Easy to use and safe in all work environments
- Can be used on all surfaces including seals
- Kills 99.9% of odour causing bacteria
- Complies with DA19 maintenance for best practice
- Up to 12 months' protection
- Maintenance labour savings

PREPARATION

Product Code	Description	Dilution Rate
AG-SCS-1R	Surface Cleaner & Sanitiser 1L	Ready to Use
AG-SCS-5R	Surface Cleaner & Sanitiser 5L	Ready to Use

Product Code	Application Rate
AG-SCS-1R	As required (spray-on & wipe-off)
AG-SCS-5R
